Comments:	I called the number that was provided to me from Mr. Pieters at Law Enforcement and spoke to Mrs. Nel who's husband is the owner of the pitbull in question. I asked Mrs. Nel where the dog is and that we are worried about the dog. Mrs. Nel told me that her husband gave the dog to his sister that is staying in Langebaan. I asked Mrs. Nel for an address but she could not give me an address. Mrs Nel told me that I can call her husband tonight after 8pm. Will follow up.
