Type:	CALL RECORD - RECEIVED
Follow-Up Date:	2024-05-24
Comments:	The owner messaged me and asked if we can reschedule as he could not be home during the scheduled time and will only be home after 19h00. All that needs to be done is the installation of the swivels. I asked him if he cant install the swivels himself, then when I do a follow up I can verify. He advised that he does not have anyone to assist him as the dog will have to be hold due to be extremely aggressive and he will have to do this. He will let me know by Friday which date next week he will be home.
