Inspector:	CARINA BODENSTEIN

Type:	CALL RECORD - MADE
Follow-Up Date:	
Comments:	I called the compl. It is a very confusing story. The addresses given is not where the compl saw the animals. The compl called LAC and complained to them, However, the complaiant could not give addresses as she soes not know the area. LAC then made their own assumptions as to where the animals likely reside. I will call LAC and discuss the cases and obtain correct address and open new cases. This case is to be closed as there are no APA contraventions
