Comments:	The case did not appear on my name on the 20th. I did not have capacity to conduct this inspection on the 21st, as I had to do a chicken farm inspection, thereafter I had to attend to a new case in Laingville, had follow up cases in Saldanha and had to collect 2 dog for PTS request from Langebaan which was part.of a case I was dealing with.
Captured By:	I will attend to this case on 22/05/2024 CARINA BODENSTEIN 2024-05-07 18:08
