Suburb:	ON R45
Postal Code:	
Date:	2024-05-09
Time:	10:10
Inspector:	CARINA BODENSTEIN

Type:	CONTACT-OWNER
Follow-Up Date:	2024-05-09
Comments:	I called the owner to enquire as to what they did regarding the cow. They consulted a veterinarian yesterday, Dr. Trichardt from Blue Cross Vet in Cape Town. He advised what they must do and what meds to get from AgriMark. They did what he said and the cow got up yesterday afternoon and is apparently BAR today.
