Comments:	Met with Johan, Farm Manager. They just did a deep sweep and disinfected the entire farm in prep for possible Avian Flu outbreak, which they are trying to prevent. Johan asked if we can please reschedule for the 3rd week in May. Tuesday, 21st. He will also still have to aquire an overall and other PPE clothing for me. We agreed to meet and conduct an inspection on the 21st of May 2024 I WILL MESSAGE HIM A WEEK PRIOR TO ENSURE THE DAT IS STILL SET
