CHECKLISTS

General Report Comments: One of the workers let me on the property. I asked if I can speak to Chris and the replied by saying Chris is not working there anymore. They have a new manager called Mulalo but he is currently in Worcester in a meeting. The worker also told me that they don't have any chickens at the moment and that all the houses are empty. I went with the worker to the first house and it was empty. I could see that there are people busy cleaning the houses. The worker told me that they are expecting chick's on Saturday. The worker also gave me Mulalo the new managers phone nr.0766123044. Will follow up.
