| CONFINEMENT OF ANIMALS          | Caged - adequate space | The 7x lions are being kept in a 1 hectar enclosure. |

General Report Comments: Hayward Loubser the owner gave me access to the property. We went to the lions enclosure. The lions were all seen in the 1 hectar enclosure covered with bushes and trees and I could hardly see them in the bushes. The lions are all in acceptable conditions. Water cribs was observed inside the enclosure. The smaller camps where they feed the lions was also clean. Attached is a checklist that I've completed. Will do a recheck.
