CHECKLISTS

General Report Comments: When we arrived. The animals that were supposed to be taken to a vet was not taken to the vet and Verbiest surrendered the animals to Cape Of Good Hope SPCA. We estimate that there are about 57 dogs left. Verbiest claims that a welfare is going to collect 20 more of the dogs. All the cats that were left were surrendered to Cape of Good Hope SPCA. The chickens are no longer on the property. We will recheck. Case is with Cape of Good Hope SPCA who is going to lay charges and try and get a high court interdict so that Verbiest can no longer be in charge of any animal .
