General Report Comments: I did a door to door at the property and I saw 1 dog sleeping outside not moving and I stopped by to speak to the owner of the dog about the condition of the dog.
Veronica welcome me to the property to see if the dog was alright and I saw symptoms of distemper in the dog and I asked when did this started she said about two weeks ago the dog was walking funny and they thought it was hit by a car or someone hit her with a stone.
I told her that the dog might be suffering from distemper and there is no cure for it also the neighbor came to ask for his dog because the dog is walking funny and I also told him to surrender his dog and Veronica surrendered her dog.
