General Report Comments: I responded to complain about the dogs kept on chain with lot of feaces around. I arrived at the property and Mr Vivian welcome me to the property to do further inspection on the dogs .
I asked why they caged the dogs he said they keep his truck there and they must be on guard.
Upon my inspection I saw a lot of feaces around and the water bowl was flirty with the green stuff in it.
I issued him with a notice to comply for the cleaning the feaces and clean up the water bowl within 2 days. He decided to surrender the female dog because she was old and no one is helping him to clean the area where he keeps his dogs.
