General Report Comments: I did a door to door at the property and I saw 1 pit bull on the short chain with no shelter. I stopped by to speak to the owner of the dog about the condition of the dog and I also saw that the owner of the dog has another dog on the running chain and shelter.
I asked her why they chained the dog with no shelter and she said the dog stays in the house is there during the day and I told her that is not acceptable to let the dog stay on the short chain with no shelter even if they kept the dog inside the house.
I left the notice to comply for the shelter and the running chain even if is a short period. Water was observed and the body condition of the dogs is acceptable will recheck after 7.
