General Report Comments: I did a door to door at the property and I saw 1 pit bull on the short chain with no collar and I stopped by to speak to the owner of the dog about the condition of the dog. I knock no one responded and the neighbors said that the owner of the dog went to the ocean to pray I told them that when the owner of the dog came back they must tell him that he must contact me on the number I provided on the notice.
I explained to them that the owner of the dog must make a running chain so that the dog can have movement and fix the kennel for the dog. I left the notice to comply for the collar and the running chain will recheck after 7 days.
