General Report Comments: Robert stopped me and informed me that he has a sick dog that he wants to surrender. The dog was so thin and had a skin problem. Robert surrendered the sick dog. The female Boerboel is underweight and the body condition needs to improve. I observed water and shelter. The body condition of the two other dogs is fair and acceptable. I issued a Notice to comply advising Mr Robert to de-worm the female dog,improve the body condition of the same dog and to seek vet treatment for any sick or injured animal in his care or possession in future. I will recheck
