General Report Comments: I did a door to door at the property and I saw 1 pit bull x on a short chain without a shelter and I stopped by to speak to the owner of the dog and he was not there. I spoke to the neighbors they told me that the owner of the dog is at work and I left the notice to comply for the shelter and they will give him when he gets back.
Later on the day he called me to explain why he kept the dog on the chain without a shelter he said the dog stays in the house at night during the day he is kept there on the chain and I told him that he needs to provide the dog with a shelter and a running chain for the period the dog is outside.
