General Report Comments: I saw 1x brown terrier x male with a broken leg,I asked the owner of the house what happened and she told me that a pitbull has attacked the dog. I told the owner of the property that the dog needs immediate veterinary treatment and she told me that I must wait for the owner of the dog. I told Mrs Bester that I can't wait for the owner and that she can surrender the dog because she is the owner of the property and that she can also come into trouble if I should go get a warrant. Mrs. Bester agreed and surrendered the dog. Refer to admission D5633. No ther animals on the property. Nfa until further notice.
