General Report Comments: Upon arrival, I was met and granted access by Megan, the owner's wife.

I observed 2x Pitbull dogs. 1x male, 1x female. The dogs are in good condition with no veterinary/health concerns observed.

Looking at the initial photos on the case, I can confidently say the dogs have gained weight. I can barely see their ribcages.

Case can be closed, as the owner complied with the initial warning issued and the dogs are looking good.

No APA contraventions, no need for further intervention.
