General Report Comments: I did a door to door at the property and I saw 1 pit bull on the short chain with with a running chain and I stopped by to speak to the owner of the dog about the condition of the dog. I spoke to her child she was at work.
I asked her why is the dog on the running chain and she said the dog jumps the fence. I also noticed that the dog is bit under weight and I asked what food are they feeding the dog she said the food was finished and now they gave her from the table.
I left the notice to comply for giving the dog adequate food and deworm the dog and if she doesn't pick up the weight which means they need to take the dog to the vet. I will recheck 3 days
