General Report Comments: 1st house on the left.

Upon arrival, I was met and granted access by Mrs Ovies.

The dog was still chained on a short static chain, 2.5m, infront of the house.

Mrs Ovies advised that they are busy fixing the fence to allow the dog to roam freely inside the property, the should be done by next week.

I also advised her to cover the raw chain around the neck with either masking tape, or a hosepipe.

Will follow up next week, as they are in the process of fixing the fence.
