General Report Comments: I was successful in obtaining a warrant from the Vredenburg magistrate court . I went to 41 Sterlitzia str,Vredenburg to execute the warrant . I was met by the owner Juaine Manuel. I told Mr. Manual that I have a warrant to remove both dogs from the property as he can clearly not look after these dogs. Mr. Manual started to tell me what he is going through and that he does not have a income and is barely coping as it is. I persuaded Mr. Manual to surrender the 2x pitbulls because he has already pleaded guilty to animal abuse charges in the year 2018. Mr. Manual decided that it's best to surrender the 2x dogs because I also told him that there is no way that I am leaving without these dogs. Mr. Manual loaded the 2x dogs in the Spca vehicles. There is no other animals on the property.Refer to admissions. D5645 and D5646. Nfa until further notice.

ACTIONS

OTHER Owner decided to surrender the dogs.
