CHECKLISTS

General Report Comments: I saw a young man standing in front of the house and I stopped to ask him if he has seen a brown dog on a short chain at any of these houses because I could not find a chained dog. Ricky told me that a friend of the family who stays in Steenberg Cove was there with his brown pitbull male yesterday but had to secure the dog with its leash to a tree because they are living next to a busy road and their friend was afraid that the dog might run into the streets, and the other reason is that their properties is not fenced. No dog on a short was observed on the property. I contacted the complainant and explained to her what the situation was and she understood. Nfa until further notice.
