General Report Comments: Accompanied by Law Enforcement Official.

Upon arrival, I observed the pigs have been split. The one pen has 3x pigs inside, the second pen has 4x pigs inside.

The pen dimensions are 7m x 3m, concrete with a solid roof and cemented floors and cemented cribs.

This owner complied with the warning issued, the pigs have more roaming space, and each can comfortably sit, stand, turn around and lie down.

The pigs are in good condition.

No APA contraventions observed during the time of inspection.

I will be in the area next week again and just have a look to ensure continuous compliance.
