General Report Comments: I did a door to door at the property and I saw 2 dogs on the property sleeping and I stopped by to speak to the owner of the dogs. Mr delport welcomed me to the property and I gave him an education about sterilization and the importance of it.
Mr delport said to me that he is a pensioner and Lucy is not sterilized he then diceded to surrender the dog he keeps one at the property because it won't be difficult to to feed one dog. Water and shelter was observed and the body condition of the dog is acceptable NFA.
