ADEQUATE SPACE AVAILABLE	No ***	The dog is chained
CLEAN LIVING ENVIRONMENT	Yes	
ANIMALS IN GOOD CONDITION	Yes	
VETERINARY PROBLEMS / HEALTH CO	No	
CONFINEMENT OF ANIMALS	On running chain	The dog is very aggressive

General Report Comments: The owner complied and extended the length of the chain. The chain that is attached to the line is now 2-3 meters long. I also observed a swivel. I couldn't get inside the property as Ragel informed me that the dog is very aggressive and she was afraid if he breaks loose he will bite. The dog's body condition is fair and acceptable. Ragel informed me that her boyfriend bought the deworming tablet but she couldn't provide me with the name of the tablet. I saw the empty packet but nothing is written on it. I advised Ragel to bring the dog to the clinic whenever I am in Darling
