General Report Comments: Upon arrival, no adult appeared to be home, and I did not feel comfortable entering the property with the 6yr old child that was home.

I observed the dog on an extended chain, the chain is now approximately 8m long, thin chain. The dog has a hosepipe around the chain for a collar. The owner is still using the dustbin for shelter and had not raised it from the ground or placed a sheet over it. It has however been moved under the shrubs to provide extra shade.

All the rocks have been cleared and there are no obstructions for the chain to move easily.

I will call the owner next week and discuss the way forward.
