CONFINEMENT OF ANIMALS	Static Chain - adequate length Unknown, because there was no people at home

General Report Comments: I saw 1x brown terrier x female on a long chain but the dog did not have a collar around her neck. There was no people at home so I don't know the reason why the dog is chained, bit I did observe that the property is not fully enclosed. Water and shelter is available and the body condition of the female terrier x is okay. I issued a warning to provide the dog with a collar. Will recheck.
