General Report Comments: I was met by Swartland law enforcement officers at the small farmers property in Malmesbury . Mr. Persens who is also a small farmer and has animals on this property walked with through the enclosures. Most of the animals are outside the enclosures and is roaming freely on the property. Some of the enclosures is still dirty and has a lot of foreign objects like rubble,plastic and wood lying around. I will discuss this matter with my manager as according to Mr. Persens some of the owners who was giving warnings to by Inspector Bodenstein did not adhere to them. I did not issues more warnings because Law enforcement officer Claudia told me that the municipality is going to move the small farmers to another location. Will follow up
