General Report Comments: I've been trying to catch this dog for quite a while as the people in the street told me that the dog doesn't have an owner. The dog has three legs and is in a very bad condition. Magret saw me trying to catch the dog and informed me that it was her sister's dog and she doesn't want the dog. We managed to catch the dog and Magret signed the admission form. There is no animals left on the property
