General Report Comments: Liezel let me onto the property. Pablo the pitbull male is still on a long chain with a collar. Water, food and shelter was observed. Liezel went inside the house to show what deworming tablets they got for Pablo, she came out with a packet which contained some Lionel Choice deworming tablets. Pablo is slightly underweight but they have dewormed him, so now I will monitor his body condition. Will recheck again after 2x weeks to see improvements in Pablo's body condition.
