General Report Comments: There was no people at home. I saw 1x black and white bull terrier male and 1x black and brown terrier x female came running to the gate and started barking at me. Both dogs is in acceptable conditions. There is some building rubble lying next to the gate but I did not observe anything that could hurt the dogs. It's not like the building rubble are scattered all over the property. I left a warning for the owner to contact me. Will follow up.
