CHECKLISTS

General Report Comments: I stopped Jaco who is working for Dogs and All at the Engen garage in Darling . There was no dogs at the back of the bakkie. I told Jaco that Spca received a complaint regarding the dogs that they are using. Jaco told me that the cages are big enough for the dogs and it's not like they spend the whole day in the cages on the bakkie. Jaco told me that they do take the dogs out for exercise and when they patrol. According to Jaco the cages are big enough according to PSIRA regulations . I did observe water and water bowls at the back of the bakkie. Nfa until further notice.
