General Report Comments: I went to do a recheck at 13 Suikerbekkie street, Riverlands. The terrier x is again on a short rope and the dog also lost some weight and is covered with ticks. I also did not see the kennel that was there previously. I contacted Saul Petersen the owner and asked him what happened to the dogs kennel and he told me that the kennel was stolen. I asked him about the condition that the dog is in and he had nothing to say. I issued a warning and will follow up in 5x days.
