General Report Comments: I saw 1x brown female terrier x lying in front of the property. There was no people at home. The dog appeared to be underweight and is covered with external parasites (ticks). Shelter was observed inside the property. I could not see if the dog had any water available. I issued a warning to provide the dog with adequate food and to also provide treatment for the external parasites. Will follow up.

ACTIONS

Warning Issued W5034
