General Report Comments: I was met by Lana the owner of the dog that tied to the fishing boyu. Lana told me that they tie the dog because he keeps getting out of the property and the farmer said that he will shoot he dog when he finds the dog with his sheep. While standing there Blikkies was busy digging a hole underneath the fence to get out but the fishing boyu stopped him from getting through, he crawled back into the property again. The fishing boyu is light and Blikkies can move around with with ease. Blikkies is in acceptable condition. Water,food and shelter is available. Lana also told me that they do take him for walks,but when they are not there they put him on the fishing boyu ball because she is afraid he might get shot. No welfare concerns observed. Nfa until further notice.
