General Report Comments: I was met by Debbie Swart who is the owner of the dogs. Debbie let me into the house to meet the 3x yorkies and 1x terrier x. I saw that the 1x yorkie male and the terrier x male has a skin condition and asked Debbie about it. Debbie showed me the stuff that they are using but nothing seems to help. The dogs living area is clean and they do have water and food available. I issued warning and told Debbie that she must get the 2x dogs with skin problem each a Nextgaurd. Debbie told me that she will do it over the weekend. Will follow up on Monday.
