General Report Comments: There was no people at this address and I spoke to Derelay Smith who is neighbor to the owner of the dogs. I observed water and collars. The female Pitbul does have a kennel but it is collapsing and the Maltese X does not have shelter at all. The area around the Pitbul is full of dog feces. The body condition of both dogs is fair and acceptable. I issued a Notice to comply advising the owner to provide shelter for both dogs and to remove both dogs from the short chains. This isn't my first time to do an inspection at this address.
