General Report Comments: Upon arrival I was met by the owner of the dogs father,Mr Lameyer. I asked Mr. Lameyer where the dog Suzie is and he told me that she is here somewhere and he called. Suzie a brown female terrier x came running from the house across the street. The dogs body condition is acceptable. I asked Mr. Lameyer to have a look at the dogs living area. There is still no shelter for the dog. I explained to Mr. Lameyer the importance of the qarning that I'm going to issue and if the owner does not adhere to this warning the dog Suzie will be confiscated. Mr. Lameyer understood and told me that he will make it clear to his son and he will make sure that the welfare issues concerning Suzie will be dealt with within the 5x day period. Will follow up.
