General Report Comments: I did a door to door at the property and I saw 1 dog on a short rope and without a shelter. I arrived at the property and Mrs bester welcome to the property.
I asked her why is the dog on the short rope and without a shelter and she said the dog sleeps in the house and I said even if it stays inside the house they must provide shelter where they tie her during the day and also there must be water all the times.
I left the notice to comply for the shelter and the running chain and water must be available I will recheck after 7 days.
