CHECKLISTS

General Report Comments: I was met by Kobus Van Wyk the owner of Whitey the terrier x male. I asked Kobus where Whitey is because I was here last week and he was not at home and I also did not see Whitey on the property or inside the yard. Kobus told me that he also hasn't seen Whitey since last week. Kobus also told me that he got some dip from a family member and showed me a 2 litre bottle with dip in it, he told me that he dipped Whitey that same week I was there. We walked around the house but did not see Whitey anywhere. Kobus asked his neighbors if they have seen Whitey and they said no. I will do a recheck on Friday again to see if Whitey has returned.
