**CHECKLISTS**

|                                 |                                |                                                             |
|---------------------------------|--------------------------------|-------------------------------------------------------------|
| WATER AVAILABLE                 | Yes                            |                                                             |
| ADEQUATE SHELTER AVAILABLE      | Yes, but not adequate ***      | The kennel is small for both the mother dog and the puppies |
| ADEQUATE SPACE AVAILABLE        | No ***                         | The dog is chained                                          |
| CLEAN LIVING ENVIRONMENT        | No ***                         | The area around the dog kennel is dirty                     |
| ANIMALS IN GOOD CONDITION       | Yes                            |                                                             |
| VETERINARY PROBLEMS / HEALTH CO | No                             |                                                             |
| CONFINEMENT OF ANIMALS          | Static Chain - adequate length | The farm owner does not allow dogs to run free on the farm  |

General Report Comments: The dog is on a long static chain with a collar on. Water and shelter observed but the dog kennel is small for both the mother dog and the puppies. The body condition of the adult dog and the puppies is fair and acceptable. The area around the dog kennel is dirty. I issued a Notice to comply advising the owner to provide adequate shelter and to clean the area around the dog kennel.
