| CONFINEMENT OF ANIMALS          | Static Chain - adequate length      Dog jump fence |

General Report Comments: I did a door to door at the property and I saw 1 pit bull on a long chain sleeping on top of the dog kennel. I stopped by to speak to the owner of the dog about the condition of the dog is also saw the dog doesn't have a collar and I told her to provide the dog with a collar.  
I left the notice to comply for the collar and will recheck after 8 days days water and shelter was observed and the body condition of the dog is acceptable.
