CHECKLISTS

General Report Comments: Upon arrival, I was met by the opposite neighbor who introduced herself as Jo Ann. Jo ann advised that Wesley moved to Stompneusbaai and took the dog with him. This was apparently done over the weekend. She does not know Wesley's new address.

I knocked on the door, no one answered and I did not hear or see any dog. The kennel was still on the property, Jo Ann said she is not sure if Wesley must still come to fetch it, as the dog always stayed indoor with him.

I will do a final check next week when I am in the area.
