VETERINARY PROBLEMS / HEALTH CO	Yes ***	Rusty is sick

General Report Comments: Both dogs were on static chains when I arrived. Rusty's chain was long enough but Tiger's is short. Both dogs have collars around their necks. Rusty is sick and I advised Gerrit to seek vet treatment for the dog and he informed me that he doesn't have money. I then convinced him to surrender the dog of which he agreed. The body condition of the remaining dog named Tiger is fair and acceptable. I observed water and shelter. I issued a Notice to comply
