CHECKLISTS

General Report Comments: Upon arrival, no one appeared to be home as there was no response to my presence.

I called Mr Khan, and he advised that he wont be able to assist me now, as he is sick. I asked if the birds have been moved and he confirmed that the birds were moved to Cape Town on the weekend he said he would. He also advised that he has sold some of the birds, as it has become to much for him to handle.

I will email CoGH SPCA and request from them to conduct an inspection at the relocated address , 122 Klip rd, Grassy Park.
