General Report Comments: Upon arrival, I was met and granted access to the property by the owner.

I observed the dog in the same conditions as yesterday.

Magdalena advised that her son has not returned and she is now not sure when he will return.

Magdalena asked If I will be able to assist her. I agreed but advised that I can only help next week, as I will have more time. She was happy.

I will return next week and assist the owner by either setting up a runner or moving the dog to the other side with the extended chain, whichever will benefit the dog most.
