General Report Comments: I did a door to door at the property and I saw 1 dog sleeping on short rope without a collar. I arrived at the and I spoke to Zelda and it was difficult because she doesn't understand English and I can't understand Afrikaans fully. I left the notice to comply for the collar and extend the rope for the dog and shelter for the geese because she said they sleep anywhere in the property water and shelter for the dog was observed and the body condition of the dog is acceptable will recheck after 7 days.
