|---------------------------------|----------------------------------------------------------------------------------|
| WATER AVAILABLE                 | Yes                                                                              |
| ADEQUATE SHELTER AVAILABLE      | Yes                                                                              |
| ADEQUATE SPACE AVAILABLE        | Yes                                                                              |
| CLEAN LIVING ENVIRONMENT        | Yes                                                                              |
| ANIMALS IN GOOD CONDITION       | Yes                                                                              |
| VETERINARY PROBLEMS / HEALTH CO | No                                                                               |
| CONFINEMENT OF ANIMALS          | Static Chain - adequate length      Owner claims the dog can jump over the wall. |

General Report Comments: I saw 1x brindle boerboel x on a +- 6meter long chain. The owner told me that the dog has broken his collar and that the Inspector Bodenstein told her that they can put sellotape around the bare chain and that she will come and install a running chain. The dog is in acceptable condition.  
Water, food and shelter is available. Will follow up.

**ACTIONS**

NO ACTION REQUIRED
