General Report Comments: I responded to complain about the dog in between the door and the burglar door. I arrived at the property and Mr Meyer welcomed me to the property and I saw the dog between the door and the burglar and I asked him why is the dog sitting in there.  
Mr Meyer said the always does that sitting in the middle of the door and the burglar he moved the dog to the open place in the yard and the dog came back to the same spot she was sitting in. I advise him to always check the dog because it looks like they don't care for the dog. Water and shelter was observed and the body condition of the animals is acceptable NFA .
