General Report Comments: Upon arrival, I was met and granted access to the property by the owner, Nana. I could not get to close to the dog as the dog wanted to bite me.

The owner extened the chain with a rope, the dog now has a 10m rope/chain. This provides the dog with sufficient space to roam. Eventhough the dog wanted to bite me, the dog seemed happier with his space.

The dog can't jump the fence on the side where he is kept as that part of the fence is rather high, 1.8m. The dog jumps the front fence/gate, as that is very low (1.2m) hence he is tethered.

I thanked the owner for her compliance and advised that I will do routine checks to ensure continuous compliance.
