General Report Comments: Upon arrival, I was met and granted access to the property by the owner's daughter.

I saw the dog in question on his runner. The dog's weight seemed to be standing still since I last saw him, however he is not losing weight which is a good.

The owner is currently in Atlantis, and will return next week.

I will come by next week friday again and see if the dog has gained weight since today, as I reminded the daughter that the dog must be fed twice a day, which she said she is doing.
